## MAKER IN FOCUS

### DAVID MAYNE

David Mayne is a sculptor of national repute who produces work for galleries, public spaces and the domestic environment.

Over the past 30 years David has developed his work but the one thing that has remained constant is his passion for metal. David has a lifelong passion for nature and landscape. David lives in Holmfirth near areas of stunning woodland and wild and beautiful hills and moorland. The work he creates is a response to this landscape and other wilderness he has encountered.

## ANN MARIE WHALEY:

### A DIFFERENT SPACE

Ann Marie draws and paints in the landscape, especially in Dorset, Hampshire, and London, responding to the sensations of a certain place.

Ann Marie's outdoor sketches depict a different space on the paper and canvas; a space that conveys some of what it feels like to be in that landscape, not simply an image of what it looks like.

## CRAFTS IN BLOOM

The exhibition joins the celebrations of Farnham in Bloom. Artists throughout the centuries from all cultures have been drawn to the beauty and elegance of flowers.

Virginia Wolff remarks that we need to understand the beguiling beauty of a single flower, in order to grasp the meaning and potential of life itself.

The exhibition presents work by Vanessa Hogge, Janet Twinn, Lucy Burley, Rosie Wesley and Peipei Yu and is curated by Loucia Manopoulou.

## SURREY ARTIST OF THE YEAR 2019

The New Ashgate Gallery invites members of the public to come and vote for their favourite artist.

Since 2009 this aspirational exhibition has offered a collective of local quality arts and craft as voted for by the public during open studio visits. There is a wide variety of artworks on show, all offering different materials and techniques: painting, printmaking, glass, textiles and mixed media. The top scoring artists come together for a programme of events and are Clare Bowen, Orlanda Broom, Jennifer Court, Diana Croft, Clare Edworthy, Penny Fleet, Robyn Horsburgh, Christine Hopkins, David Johns, Will Johns, Julie Noles, Philip Ryland, Penny Webb, Pippa Ward and Abigail Wicking.

Again, during the exhibition, until 18 October, 12noon, members of the public are encouraged to vote for an artist; and the artist with the most votes from public and judging panel, is named Surrey Artist of the Year 2019 on 20 October, 7pm – all are welcome to the award ceremony. The winner receives a bursary of £1,000, a solo show at the New Ashgate Gallery and a complementary Winner's Stand at the Surrey Contemporary Art Fair.

THE SAOY SEASON INCLUDES WORKSHOPS FOR ADULTS, FAMILIES AND ARTISTS. PLEASE CONTACT US FOR INFORMATION.

The competition is a partnership between the New Ashgate and the Surrey Artists Open Studios to celebrate the wealth of creative talent in Surrey.
