In 1995, the first NAWA Chapter was founded in Florida. The Florida Chapter extends the mission of our National organization by providing highly visible Florida venues, designing art education opportunities for its members and promoting art education to Florida communities; as well as encouraging the next generation of women artists to strive for even more visibility of women artists in the Art World.

Artists wishing to join the Florida Chapter must first be juried into the National Organization (NAWA). NAWAFL is a 501C3 not-for-profit tax exempt organization.
