

## FAQS for Molly Elkind's classes

*Where can I find the details about each class, supply lists, fees, etc?* The title of each class on the Workshops page of the website (<https://mollyelkind.com/workshops.html>) is highlighted in blue. Click on this link and a printable PDF will open with all the details about the class.

*How do I know when you are available?* Please check the Workshop Schedule page of the website (<https://mollyelkind.com/workshop-schedule.html>). Here you will see all currently booked workshops. Any date not listed there is generally available. Email me to be sure at [mpelkind@comcast.net](mailto:mpelkind@comcast.net).

*What is your hourly fee?* Generally my hourly rate to teach is \$125 per classroom hour (\$150 for one-hour lectures). This works out to \$750 for a six-hour day. This is for the entire group, not per student! The sponsoring guild or organization determines what to charge individual students for tuition. Supply fees are payable to Molly and indicated on the PDF for each class description.

*Do you travel to teach?* I am fully vaccinated and I look forward so much to traveling to teach again! I do ask sponsoring guilds and conferences to cover all costs of travel, including transportation to and from the airport at origin and destination, lodging costs, meals, and other usual expenses. For venues within 300 miles of Santa Fe, I may opt to drive. Reimbursement at the current IRS mileage rate would be expected. I live in Santa Fe, NM and generally fly out of Albuquerque, NM.

*Where do you prefer to stay if you are coming to teach from out of town?* I do not stay in private homes or share a bedroom. After a full day of teaching I am tired and need some alone time! A hotel, motel, B&B or dorm accommodations are fine.

*Do you have a contract you use to formalize teaching arrangements?* I do. I can also work with your guild or organization's contract. Please contact me to discuss.

*How can I reach you with questions or to discuss details?* Please email me: [mpelkind@comcast.net](mailto:mpelkind@comcast.net).
